

I'm interested in joining the Bajillions Early Math study!

Are you a...

Teacher, administrator, coach, or professional development provider seeking access for students in your school, classroom, or program

Parent, guardian, or other family member seeking access for a child or children in your home

1 Fill out the **Eligibility Survey** [[link](#)]

Complete survey to enroll in the study

1 Fill out the **Eligibility Survey** [[link](#)]

Complete survey to enroll in the study

Ask your director or principal to complete this

2 Complete and sign a **Letter of Support** [[link](#)], then send it to us

Complete one for each child

2 Complete the **Parental Permission Form** [[link](#)]

The form must be signed by the child(ren)'s legal guardian

3 Collect Parental Permissions

3 We create your + your child's account and send you the credentials

4 We create your account + optional orientation meeting

4 Set up child(ren)'s account(s) (we can do this or you can do it yourself)

5 Set up student accounts (we can do this or you can do it yourself)

Ready to play!
